Features

Stewardship Festival

Stewardship & Trust Services Festival Celebration was held on 16-17 April 2011, at KL Chinese Church (Friday) and on Sabbath, at the PJ English Church. The main objective of the aforesaid event was to remind members of their stewardship responsibilities and to continue to submit and abide in Jesus Christ as the Lord of their lives. The Celebration started with

Pr. Edmund Liah, SAUM Stewardship Director, giving a historical dimension of Stewardship beginning where God is the originator of life and giver of all good things towards humanity. During the Prayer, Praise & Testimony Time, several members from various churches in the Klang Valley, shared their testimonies of their personal lives. The topics were: "Stewardship in a Changing World" and "Stewardship: Living God's Will" by Pr. Edmund Liah and "Stewardship & the Plan of Salvation" by Alex Rajakumar. A Certificate of Attendance was presented to all those who attended. A special dedication prayer for commitment was offered by Pr. Edmund Liah at the close of the seminar.

26th Annual Indian Churches Camp

26th Annual Indian Churches Camp was held from June 2-5, 2011, at the Cinta Sayang Resort, Sungai Petani, which was hosted by Nibong Tebal, Kulim and Penang Churches. About 230 church members from about 14 Indian churches participated in this camp. *Revival and Reformation* was the camp's theme. Dr. Maywald Jesudas, Ministerial Director, Middle-east Union, was the guest of honor for this camp. An unique feature of this Indian Camp was the *special spiritual revival* which was unusually, but remarkably impressed upon the attendees of this camp. God had used the speaker, the programs and the hardships that the organizers had undergone to create an unforgettable moment in each of their lives. Praise be to His Name!

Community Service in Ampang

Free Health check, Knot tying, Children's Corner, 1st Aid classes, Safety Climbing, Free Wound Treatment method and etc. were provided and taught to the community in Ampang, Selangor, on May 22, 2011, which was organized by the PEM Community Service Dept. Pastor & Mrs. Leong Fai, Pr T Sim and many other volunteers helped in conducting these free services to the public. About 76 participated and learnt from these skillful trainings that day.

No Butts, Breathe Free Plan

The Adventist Community Health Centre conducted the No Butts, Breathe Free plan, a program to help smokers stop that hideous habit. On May 12th, two persons (who were smoking for 25 yrs/ 60/day and 15yrs/20/day) signed up to go through this process of quitting, for 5 weeks, they faithfully attended to the 2 times-a-week sessions, in which they went through a series of educational lectures, strategies, self awareness tests, demos and activities to make them realize the great value of their lives. The third session was one of the most meaningful for them, during this session a symbolical ceremony is conducted where they have to "bury" their cigarettes and smoking paraphernalia in the "coughing- coffin" in order to say goodbye to their former beloved friend. If anyone would like to quit or know of someone that would like to quit, the next intake is on 27th July 2011, please give us a call 03-92834414.

Children's Training

There were 68 people who attended the Children's Ministries Training on April 16-17, 2011 at the Mission Office. Mrs. Sim Sew Moi, Children's Ministries Director from SAUM conducted this training. Sister of Sew Moi, April Chai, taught some of the handiworks, and shared her testimony during the Sundown Worship. Sister Cindy Kuan reported on the KIDS Discipleship. Mrs. Leong shared Devotions during the trainings. Sister Gan Hee Mei, PG Chinese Church, share her testimony on the KIDS Club through a DVD.

World No Tobacco Day was celebrated on the 31st of May 2011. ACC & PJ SDA English Church commemorated this day by distributing Smoke-Free pamphlets and giving out discount food coupons at the Adventist Lifestyle Café. This simple act created an awareness among the communities in Cheras. "When we allow God to use us as His instruments, we will be able to do things that we never thought we could do," said Alex Lim, a volunteer who initiated this simple idea of giving out pamphlets with the discount coupons.
